

CERTADOSE®

# EPINEPHRINE CONVENIENCE KIT ORDER FORM

The Epinephrine Convenience Kit is made for children and adults. This check and inject system gives medical professionals the confidence to give children the correct dose of epinephrine during critical time-sensitive situations. The Certa Dose® pediatric syringe is the only system clinically-proven to reduce critical dosing errors to zero.

Each Certa Dose® syringe is labeled with color-coded sections that match the existing universal standard for treating children (mandated by PALS), helping clinicians quickly verify the correct pediatric dose.

- Intuitive and easy to use.
- The Certa Dose® pediatric syringe matches the universal color-code standard used worldwide.
- Color-coded system essentially eliminates mistakes.
- Reduces risk.
- FDA Cleared.

- 0.3 mL Pediatric Color Coded Syringe, Permanent Needle, 29G x 1/2"
- 1 mL Standard Syringe, Regular Tip, Detachable Needle, 25G x 5/8"
- Epinephrine 1 mg/mL Ampule with opener
